**RFP Open Period Extended**

The Alaska Department of Public Safety today announced an extension to the open period for their APSIN Redesign Project RFP that was issued on October 1, 2001. The RFP was originally scheduled to close on November 9, 2001. As of today, the open period is extended until November 26, 2001.

Interested vendors must submit their proposals by the new close date. The RFP and the amendment extending the deadline date are available for download from the State's Online Public website at <http://notes2.state.ak.us/pn/pubnotic.nsf> under the Department of Public Safety.
